MEMORANDUM FOR THE MUNITIONS BOARD

Attention: Chief, Office of International Programs

SUBJECT: Evaluation of Intelligence for Export Control Purposes

- REFERENCE: a. Letter from Chief, Office of International Programs, Munitions Board, to Director of Central Intelligence (Attention: Mr. Max Millikan, AD/RR) same subject (reference MDLIP)
- b. Memorandum from Assistant Director, Office of Research and Reports, to Munitions Board (attention: Chief, Office of International Programs), same subject, dated 19 April 1951

1. There are forwarded herewith two copies of each of the following papers:

Strategic Value of Mining Machinery to the Soviet Orbit

Strategic Value of Construction and Road-Building Machinery to Soviet Orbit

These studies were prepared by this office pursuant to our commitment in reference b. to provide partial support to the Munitions Board in the evaluation of certain items currently on the export control lists.

2. It was agreed at a meeting with representatives of your office on 4 May that our continuing support of this project would be on an ad hoc basis and that only in certain instances would written reports be prepared. This arrangement is made necessary by our current lack of staff and previous commitments.

3. [REDACTED] of CIA and Mr. C.K. Nichols of your office confer regularly on the issues as they arise and we shall continue to provide support, written or oral as the situation may require, within the limits of our current capabilities.
